Tired, weak-nerved, thin-blooded, unhappy men and women get quick, sure, hearty health from this celebrated Nerve Vitalizer and Tonic-It drives away lassitude, gives courage and strength. It makes a rich increase in blood supply, and makes the whole system thrill with hearty health.

Miss Mary Stone, Secretary of the Young People's Christian Temperance Society of Mil-waukee, tells her experience after feeling "run down" for months.

We have used Paine's Celery Compound in our family for a number of years and a few months ago when I felt so wern out and rundown that I thought I would have to give up my work and take a vacation earlier, mother suggested that I try a couple of bottles of Celery Compound. A few doses made me feel quite different, my appetite increased, I began to sleep well at night and felt rested in the morning. In a very short time I felt like a different being and am glad to say that your medicine made it possible for me to continue my work uninterruptedly. Yours very truly,—Miss Mary Stone, 2621 Lisbon Ave., Milwaukee, Wis. Secretary Young People's Christian Temperance Society.

Try Paine's Celery Compound YOURSELF when you feel exhausted—when you grow tired sooner than you should—when you lose patience with the irritating cares of daily life,-when you feel that your hopes and ambitions are not as high as they used to be—when you spend a sleepless night—when you get up almost as weary as when you went to bed—when you are worried—when the tired feeling puts its heavy touch upon you.

Attempt to Wreck Fast Southbound Train on Southern Railway.

(Special to The Times-Dispatch.)
RALEIGH, N. C., March 15.—The members of the North Caroline Corporation Commission returned this morning from an inspection trip over the Atlantic and North Carolina Railroad. They report that they found large forces of laborers at different points along the road putting in new cross-ties and making other improvements on the road-bed. There may be some order later for the improvement of depot facilities at some of the smaller stations along the road.

State Superintendent of Public Instruction J. Y. Joyner received to-day an invitation from the Kentucky Educational Association to attend the annual meeting of the association to be held June 224 to 224, and deliver an address on "Local Taxation." They expect to inaugurate a campaign for local taxation and for the establishment of State normal schools. Mr. Joyner thinks it will scarcely be possible for him to attend, as he will have to attend the National Educational Association at Milwaukee in July; the Southern Educational Conference at Columbia in April, and the meeting of the Association of Superintendents of Southern States, of which he is secretary. Then he expects to make a tour of several States in the fall to study the public school systems in those States.

Certificates of dissolution were issued to-day by the Secretary of State for the Carolina Spoke and Händle Company, of Greensboro, J. Elwood Cox, president, and the George B. Hiss Oll and Supply Company, of Charlotte. Both dissolutions are by mutual consent.

The Execultye Committee of the State Hospital for the Insane here has decided to begin at once the erection of a \$40,000 addition to the institution, authorized by the recent Legislature. It will be an east wing to the present building, and will contain seventy-six rooms, most of them designed for female pations.

Dastardly Attempt to Wreck Train on Southern Railway.

(Special to The Times-Dispatch.)
SPENCER, N. C., March 15.—A serious wrock was narrowly averted on the Southern Railway, about one mile north of this place, Monday night, when, only a short time before the fast southbound Pullman train No. 29 was due to pass Spencer, a huge rock was discovered on the main line track. Fortunately the obstruction was removed in time to save the train. It is believed the rock was placed on the track with a view of wrecking one of the fast trains, though there is no clue to the perpetrators of the deed.
